CHICHESTER'S CANNONS RESTORED

On Friday, August 19th, 1983, Claude Bailat of Boy Scout Troop #85 stood in front of his completed Eagle Scout project, the restored 1840 Howitzer cannons at the Chichester Town Hall. After an introduction by Scoutmaster James Murray, Claude explained to a crowd of over 40 people the history of the cannons and the steps taken to restore them.

The cannons were originally designed for use aboard ship. They were purchased from military surplus in 1905 and brought to Chichester through the efforts of the Blackman family. When the cannons arrived in Chichester by train there was some disagreement as to where they should be located. They were brought to the Town Hall until a permanent location could be determined, and there they remained.

Claude's project involved making new cradles for the cannons and moving them over by the stone watering trough where they will be out of range of snow plows. The cannons now sit atop cement pads on oak cradles well coated with linseed oil. The cannons themselves have been sanded down and protected with black enamel paint. The final effect is extremely impressive.

During his project Claude had the encouragement of the Selectmen, the willing arms of the Chichester Boy Scout community (Scouts, leaders, and parents), and an invaluable assist from Walter Mobbs' wrecker when it came time to place the cannons on the cradles. The next step is the paperwork and the inspections and examinations, which should, if all goes well, lead to an Eagle Ceremony sometime in the late fall or thereafter.

Chichester is fortunate to have an active Boy Scout troop, which serves as the inspiration for boys to follow as they seek the highest goals which Scouting has to offer and benefit their Town in the process.

In December, Claude went before the Eagle Scout Review Board. Claude's dream had been accomplished.

TOWN WARRANT

The Polls will be open from 10:00 A.M. until 6:00 P.M.

To the Inhabitants of the Town of Chichester in the County of Merrimack in said state, qualified to vote on Town Affairs:

You are hereby notified to meet at the Town Hall in said Chichester, on Tuesday, the 13th day of March, 1984 at 10:00 of the clock in the forenoon, to act upon the follow subjects:

1. To choose all necessary Town Officers of the year ensuing.

Article 2 through Article 19 will be taken up at the second session of the Annual Town Meeting on Saturday, March 17, 1984, at 12:30 P.M. at the Town Hall.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of current year taxes.
4. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend money from the State, Federal or another Governmental Unit or a private source which becomes available during the year in accordance with the procedures set forth in RSA 31:95b.
5. To see if the Town will vote to raise and appropriate the sum not to exceed five thousand two hundred ninety dollars (\$5,290.00) as the Town's share of the cost of operating the Center Barnstead Ambulance Service during the day time hours only. By request of the Barnstead Fire Department.
6. To see if the Town will vote to raise and appropriate the sum not to exceed one thousand eighty-eight dollars (\$1,088.00) for the continuation of services to Low Income residents of Chichester. (Belknap-Merrimack Community Action Program: CAP)
7. To see if the Town will vote to raise and appropriate the sum not to exceed nine hundred fifty-two dollars (\$952.00) for the support of the Concord Regional Visiting Nurse Association.
8. To see if the Town will vote to raise and appropriate the sum one thousand two hundred dollars (\$1,200.00) to become a member of the Merrimack County Sheriff's Department Dispatch System.
9. To see if the Town will vote to appropriate from Revenue Sharing Funds a sum not to exceed two thousand five hundred dollars (\$2,500.00) for improvements at the Carpenter Memorial Park.
10. To see if the Town will vote to raise and appropriate the sum not to exceed two thousand five hundred dollars (\$2,500.00) to have its financial records examined by the professional auditing firm of Carri-Plodzick-Sanderson for the year 1984.
11. To see if the Town will vote to appropriate from Revenue Sharing Funds a sum not to exceed four thousand dollars (\$4,000.00) for repairs to the foundation of the Chichester Grange Hall.
12. To see if the Town will vote to appropriate from Revenue Sharing Funds a sum not to exceed four thousand dollars (\$4,000.00) for the purchase of FM High Band Communication radios for the highway department.
13. To see if the Town will vote to appropriate from Revenue Sharing Funds a sum not to exceed two thousand dollars (\$2,000.00) for improvements on Town land between the Fire State and the Parish Hall.
14. We, the residents of Lane Road, (also known as Tobin Road and Hutchinson Road) do hereby petition the Town of Chichester to up-grade said road so that we may travel to and from our homes without the ever present threat of safety, to our-selves and our vehicles. The road is too narrow and at one point has a steep incline with a blind

curve, which is passable by only one car. The threat of safety is obvious, and as the town accepted the development of homes in this area and on this road they also accepted the responsibility of its citizens safety. (Petition)

15. We the residents of Lane Road (also know as Tobin Road and Hutchinson Road) do hereby petition the Town of Chichester to establish the identity of said road under one name. We would like to continue with the name Lane Road as the majority of home owners are already using that as their address. (Petition)
16. To see if the Town will vote to change the salary of Town Moderator from one hundred dollars (\$100.00) per year to fifty dollars (\$50.00) per meeting.
17. Pursuant to RSA 39:3, we, the undersigned, respectfully request the Board of Selectmen to include the following article in the 1984 Town Warrant:
"To see if the Town of Chichester, N.H. shall call upon the Governor and Executive Council, its State Representative (s) and State Senator to promptly convene a Special Session of the Legislature for the sole purpose of preventing the imposition of huge cost increases in electric rates resulting from the Seabrook Nuclear Power Plant on the citizens, businesses, schools and agencies in the Town of Chichester, and to direct the Selectmen to promptly notify our above listed elected officials of the Town's desire." (Petition)
18. To see if the Town will vote to appropriate the sum of eight hundred sixty-four dollars sixty-six cents (\$864.66) to pay off the Parsonage Fund note of long standing.
19. To transact any other business that may legally come before said meeting.

REPORT OF THE CHICHESTER VOLUNTEER FIRE DEPARTMENT

Dear Citizens of Chichester:

This year we have responded to a hundred calls, it has been a busy, active year. Fortunately, because of care and forethought of townspeople, the chimney fire have been kept to a minimum.

The firehouse roof has been completed, on a cold, windy rainy day. Dennis Call, Paul Despagna and David Kenneally braved the inclement temperatures to finish it before winter set in. It's appreciated, especially at this time of the year when leaks let themselves be felt.

We have several new fire men that have joined the department. We see great hope and potential in these new members. With training and hard work, which they are more than willing to give, they will be a definite asset to our town. Welcome to the Chichester Fire Department, the town is fortunate to have you join the crew in helping to better serve them in cases of emergency.

We have put in long hours of training and more firemen have taken advantage of fire school. This year we should have the biggest attendance yet. The better trained, the better we are able to handle any situation that might arise. As always, we will welcome anyone who is interested in joining the department. Training is held every Monday night, anyone interested is cordially invited to attend and observe.

The donations we received from various citizens were very much appreciated and were used to purchase equipment.

The Chichester Fire Department would like to take this opportunity to thank the townspeople for their support, with the money allocated we were able to purchase valuable, necessary equipment that would not only help save your homes and property, but our lives.

To my firemen a heartfelt "Thank You" for a job well done, your willingness to work above and beyond the call of duty, has made the station work effectively for everyone. You are a good crew and I'm proud of the job you've done.

May you all enjoy a Safe, Fire Free year.

CHIEF DAVID LUCIER

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Once again, our cooperative town and state forest fire prevention and control program leads the nation in least acres burned per forest fire. Less than one-half acre per fire statewide average.

At the town level, your Forest Fire Warden is responsible for the prevention and control of all grass and woods fires when the ground is not snow covered.

Forest fire prevention is achieved at the town level by issuing a written permit for every fire that is to be kindled on the ground out of doors when the ground is not covered with snow. Each person wishing to have an outside fire must obtain this written permit from the town Fire Warden before kindling the fire. Any person that does not obtain a fire permit, when one is required, is violating our forest fire permit law and is subject to a court appearance and could be fined up to \$1,000 and receive a jail sentence of up to one year.

No fire permit will be issued between 9:00 a.m. and 5:00 p.m. unless it is raining. The reason for this is twofold: the fire danger increases steadily between 9:00 a.m. and 2:00 p.m., then subsides to a safe level between 2:00 p.m. and 5:00 p.m. This happens because the sun dries out the fine fuels that are easily ignited and dries the air which permits rapid fire spread. Also during this part of the day fire fighters are not readily available in most communities so an escaped fire could burn longer and cause greater damage before being suppressed.

Your cooperation in burning only when conditions are safe is greatly appreciated.

As Smokey says, "Remember, Only You Can Prevent Forest Fires!"

CENTER BARNSTEAD FIRE DEPARTMENT

Board of Selectmen
Town of Chichester
Town Hall
Chichester, NH 03263

January 1984

Gentlemen;

The Center Barnstead Fire Department requests the Town of Chichester to raise and appropriate the sum of \$5,290.00. This amount represents your town's share of a total payroll budget of \$46,857.00 to operate the Center Barnstead Fire Department Ambulance Service with paid attendants. This offer is contingent on the appropriation of the entire amount of \$46,857.00 from the six towns of Barnstead, Chichester, Epsom, Gilmanston, Pittsfield and Strafford.

As always, the appropriated money from the six towns that we cover is used solely for payroll and payroll related expenses for our two fulltime ambulance attendants and a backup part-time attendant. None of the appropriated money is used for maintenance, supplies, or purchase of equipment. As in the past, evening and weekend coverage is furnished by our dedicated volunteer squad at no cost to the towns.

Enclosed please find the statistics pertaining to this request for funds forwarded for publication in your annual town report. If I can be of any further assistance or you would like a representative at your budget committee hearings or town meeting please call me at (603) 669-8786 during business hours or (603) 776-5841 evenings.

Cordially,

ROBERT E. MULCAHY III
Chief
Ctr. Barnstead F.D.

REPORT OF THE CHICHESTER LIBRARY

Chichester's search for a librarian continues. Meanwhile, Claude Bailat has been working in the library on Saturday mornings during 1983.

In April, 1983, trustees Hannah West and June Hatch assisted by Lucille Noel went to the Eastern Book Company in Portland, Maine, and purchased over 90 new books. Book buying is becoming increasingly important because the State Library supplemental book service ceased operation in September 1983. Chichester retained State Library books which were on the shelves at that time, but there will be no new titles arriving.

The State Library began to supply small libraries with children's books, adult fiction, and popular adult non-fiction many years ago. The service was the result of a conviction that if citizens had access to improved book collections they would recognize the value of library services and would support their town libraries with ever-increasing tax appropriations. Now a 75% reduction in the State Library book budget has forced the State to discontinue this valued service. It will be greatly missed by Chichester, which has depended on the State Library deliveries to compensate for its small book budget.

The book cart ordered in memory of Sylvia Dane and Kathleen Shaw arrived in slightly damaged condition. The trustees requested that a new cart be sent. It arrived and is now in use with a memorial plaque on it. After correspondence with the supplier the trustees decided to purchase the dented book cart at half price rather than ship it back. Chichester Library is now well supplied with rolling book carts.

Another improvement to the library is the installation of three combination screen and storm windows. The storm windows should have some insulating value, but the biggest advantage will be improved ventilation during the summer months. The trustees also hope to take advantage of the storm window protection and have the window sashes scraped and painted.

During the fall a series of pre-school story hours led by Candace Brehm of Lane Road enjoyed great popularity. Mrs. Brehm saw a need for some activity in Chichester for pre-schoolers and their mothers and approached the trustees with her suggestion. The attendance surprised and delighted everyone.

Again this year friends have remembered the library with donations. Money was given in memory of Irving Ott. New books were given by Marie Gale, almost-new books by Marti Towle, and used books by several others. Two volumes of mystery novels by Agatha Christie were given in memory of Kay Shaw by Thompson Real Estate. A very special donation of bound volumes of the National Geographic came from Margaret Smith. Some used books were put on the library shelves. Others were sold at an Old Home Day book sale.

Janice Yeaton and Eleanor Daroska have given up their duties as library aides. Both of these ladies have spent many volunteer hours in the library. They deserve a heartfelt thank-you.

CONCORD REGIONAL VISITING NURSE ASSOCIATION

The Concord Regional Visiting Nurse Association, Inc. continued to service Chichester for this past year. In the Home Care program service is provided under a physician's plan of treatment to patients who are essentially homebound with diagnosed illness. This service is rendered by health professionals (Registered Nurses, Physical Therapist, Occupational Therapist, Speech Therapist, Nutritionist) and paraprofessionals, (Homemaker/Home Health Aides, Health Assistants) according to the patient's and family's needs. Hospice care is provided to patients in the last six months of terminal illness. The Health Promotion program has services (child health, family planning, screening) that are provided to low income/high risk patients and families in group settings, such as clinic and screening sites.

Health Education and Instruction is part of each home visit or clinic visit.

Anyone in Chichester may request agency service-patient, doctor, health facility, pastor, friend or neighbor. Patients are also referred by other agencies. All requests are answered, but continuing home care can be provided only with a physician's orders.

A call to the Concord Regional Visiting Nurse Association, Inc., (224-4093) between the hours of 8 a.m. and 9 p.m., seven days a week is all that is necessary to start services or make inquiries. Hospice staff are on call (224-4093) 9 p.m. to 8 a.m.

Federal regulations specify a charge is applicable to all visits. Fees are scaled for those unable to pay the charge if that person has no other funding source available. However, for fee scaling, federal regulations require a financial statement be completed and a fee may be appropriate for which the patient will be responsible. Town monies subsidize those visits that are scaled or that no fee is collectible.

This Agency is accredited by National League for Nursing and American Public Health Association; Certified for Medicare and is a member agency of Community Health Care Association and United Way of Greater Concord.

Visits made during the year beginning October 1, 1982 to September 30, 1983 were:

	No. of Clients	Visits
Home Care	10	139
Health Promotion	23	96

CHICHESTER SCHOOL BOARD REPORT 1983-1984

The Chichester School Board was pleased with the way the Playground Committee showed interest in expanding and improving our playground. Al Solberg presented a well-drawn-out plan of what they wished to do and how they planned to carry it out. The plan showed Phase One of a two-phase plan. Phase One was approved. The result is an area developed near the well at the rear of the school. It's made mostly of logs, tires, and chains set up in such a way that interest children with safe activities. The School Board wants to thank everybody who helped on the Playground Committee.

During the summer the first grade classroom and the teachers room were repainted. New drapes and slipcovers were purchased for the teachers room. Replacement curtains were made for two classrooms. Twenty-five new wooden replacement desks and chairs were purchased for the upper grades. We try to repaint one or two rooms every year in hopes of keeping up with the never ending painting maintenance. The roof received its yearly check by a professional roofer and all needed repairs were made. The electrical system was looked at and all faulty outlets and switches were repaired. A great deal of effort is put into trying to keep our school property in good maintenance.

The furnace has always burned #4 heating oil. Do to the fact that it's very difficult to get #4 oil with low wax content, which causes maintenance problems, we have changed to #2 oil this year. We are in hopes that #2 oil will burn with fewer maintenance problems. We understand our fuel cost may increase some but we are in hopes the maintenance costs will go down.

There is a Curriculum Committee which is evaluating our present curriculum. Mr. Richard Fowler, Principal and Ms. Patsy Baugh, Assistant Superintendent, are both working on the Committee. Please read Mr. Fowler's Report which will inform you more about the Curriculum Committee's progress.

There is also a Computer Committee which has met and more information about its charge and what it has done can be found in Mr. Fowler's Report.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

A great deal of public attention has recently been given to a report prepared by the National Commission on Excellence in Education entitled, "A Nation At Risk." That document reported powerfully that "The educational foundations of our society are presently being eroded by a rising tide of mediocrity." It went on to say that, "Our society and its educational institutions seem to have lost sight of the basic purposes of schooling, and of the high expectations and disciplined effort needed to attain them." While most of the report addressed itself to high school programs and students, there were several findings and recommendations about elementary and middle grade programs and practices.

As those of us responsible for the administration of the Chichester School District compared the situation within the Chichester Central School with the findings and recommendations of "A Nation At Risk" it became apparent that our students and teachers are demonstrating better performance than many of their counterparts.. Virtually all of our classes are scoring above national averages on the Stanford Achievement Test which measures student achievement and performance. Our teachers are working well on our continuing curriculum evaluation and development efforts. I believe that these efforts on the part of the staff will help us to improve the academic program we present to students. Computer Education is one of the topics being considered by a curriculum committee during the current year. Cooperative efforts on the part of the entire school staff continues to be a noteworthy characteristic of the Chichester Central School.

The Authorized Regional Enrollment Area (A.R.E.A.) contract with Pembroke Academy has several years to go. Academy staff have worked well with staff from our district to make sure that students have a smooth transition to the Academy. Academy officials have encouraged students to take increased course loads in order to gain more from the high school experience. Some statistics on that topic may be of interest to you. In 1981, 44% of Academy students took only four courses per semester. Now, only 4% take four courses. In 1981, 4% of Academy students took six courses per semester. Now, 31% take six courses. All class enrollments are carefully monitored to make sure that appropriate programs are offered. Since approximately half of the students who attend Pembroke Academy end their formal education upon graduation from the Academy, our contract with the Concord Regional Vocational Center is an important one. This arrangement is working well. Almost without exception, our students are being enrolled in their first choice program and are performing well in these programs. Again, I believe that these arrangements are working very well for our students.

Centralized special education programs, planned and supervised by S.A.U. Special Education Administrator, Jaclyn Adams, are delivering specialized, cost effective services for many of our students.

The S.A.U. central office has made several improvements in its financial management practices. Assistant Superintendent of Schools Patsy Baugh did an excellent job of formalizing and writing a "Business Practices Manual" which clearly outlines all procedures relative to the district's finances. This decreases the likelihood of error and means that accounts are paid promptly and accurately. In addition, Ms. Baugh developed an accurate monthly schedule of payments from the Selectmen to the School District in order to save interest charges on borrowing money. This concept has been well received.

Parents, who are each child's first teachers, continue to be very helpful to and involved in the life of the school. Since we all share the same goal — that of giving each child the best possible educational program we can with the resources made available to us — parental concerns, interest, and involvement are key ingredients to our being helpful to each other on behalf of children. Several parents were very involved in working on a project to improve the school playground. We are very grateful for their efforts.

Finally, I wish to call to your attention the really hard work performed for the district by the School Board. Their sincere interest in the school and their efforts, unseen by most citizens, are very much appreciated.

Respectfully submitted,

GEORGE I. BLAISDELL
Superintendent of Schools

PRINCIPAL'S REPORT

The Chichester Central School opened in September 1983 with an enrollment of 188 students. The teaching assignments for the year are as follows:

Grade 1 - Johanna Sanborn	Speech & Language - Barbara Lewis
Grade 2 - Virginia Sanborn	Music - Lisa Deguise
Grade 3 - Sue Williams	Guidance - Hal Stevens
Grade 4 - Marilyn Koladish	Resource - Elaine Coffey
Grade 5 - Jean Fifty	Nurse - Betty Coughlin
Grade 6 - Patricia Brown	Chapter I Tutor - Betty Cate
Grade 7-8 Math & Science - James Fifty	
Grade 7-8 English & Social Studies - John Farnum	

A large number of our students participate in the basketball and cheerleading program. This year our coaches are Willis Ingram, Donald Dunlap Jr., John Boyd, Cynthia Mayville and Donna Cross. Deborah Ingram has remained as the Chichester representative on the board of directors for the Merrimack Basketball League.

During the past summer a staff committee composed of John Farnum, James Fifty and Sue Williams developed a mathematics curriculum for grades 1 - 8. This is part of a program that eventually will give the Chichester Central School a written curriculum in every area.

Patricia Brown is chairman of a health committee and Sue Williams headed a committee to develop a report on homework policies.

Kenneth Knight has been selected to chair a committee to determine the feasibility of incorporating a computer program into the school curriculum.

This year a group of top notch students in the eight grade were selected to receive the benefits of an Algebra course. This takes the place of their normal 8th grade math program. Upon the successful completion of this course, these students will be able to continue with more advanced math in high school.

Many positive things are happening in Chichester Central School. These are all designed to benefit our young people.

Many thanks to the continued support of the community and please feel free and welcome to visit the school at your convenience.

Respectfully,

RICHARD T. FOWLER
